OBJECTIVE

- Motivated Computer Science Engineering (IoT) student seeking an internship in software or web development to apply technical skills, gain practical experience, and contribute to real-world projects.
-

EDUCATION

- **B.Tech in Computer Science Engineering (IoT) – 2nd Year**
Presidency University, Bangalore (2024– 2028)
 - **2nd PUC – 85%**
Yenepoya Pre-University College, Mangalore
 - **SSLC – 90%**
Al Badriya English Medium High School, Mangalore
-

SKILLS

Hard Skills

- C Programming (Basic), HTML, CSS (Web Development Basics), Arduino & IoT Fundamentals, Basic Data Handling & Problem Solving, Python (Basic – Learning)

Soft Skills

- Communication, Teamwork, Quick Learning Ability, Adaptability, Time management, Analytical thinking, Curiosity
-

PROJECTS

- **Soil Moisture Monitoring System using Arduino**
 - Developed an Arduino-based system to monitor soil moisture levels using sensors
 - Enabled efficient water usage and improved plant care automation
 - Gained hands-on experience in IoT concepts and hardware integration
 - **Trip Booking Website**
 - Designed a responsive website using HTML and CSS
 - Created a simple and user-friendly interface for selecting travel packages
 - Improved understanding of layout design and front-end development
-

INTERESTS

- Internet of Things (IoT)
 - Web Development
 - Technology and Innovation
-
